Annual Report of 2020-21

About IQAC

The Internal Quality Assurance Cell (IQAC) was established after the accreditation from NAAC in 2016. The formation of IQAC was a significant decision in the post- accreditation phase to systemize and document the efforts and measures of the institute towards academic excellence.

Objective :

To promote the measures adopted by the institution towards quality enhancement and to develop a quality culture among the faculty and institutionalization of the best practice.

Functions : Institutional.

To design and maintain quality assurance within the system.

To monitor the implementation of academic and administrative performance of the teaching and non-teaching activities.

To ensure the maximum utilization of the infrastructural resources.

To review the feedback received from students, employees, parents, and alumni.

To improve the student support system.

To organize seminars, conferences, and workshops of different levels.

To strengthen the ICT-based teaching-learning process.

To monitor the well-being of the college in all respect and to act as a nodal agency of the institution for quality-related activities.
